

## Eligibility

In order to be eligible for FSL recruitment as a potential new member (PNM), you must fulfill the following requirements:

- **Be enrolled full-time with a cumulative GPA of at least 2.7 and designated as at least Class Code 2** (have earned 15 credits at Bentley) or be a transfer student.
  - Any student interested in participating in recruitment who either does not have a 2.7 minimum GPA and at least 15 completed Bentley credits or is not a transfer student must contact [Alexa Erb](#), Assistant Director of SP&E, to learn about the academic appeals process prior to participating in any recruitment events. Academic appeals are due Tuesday, September 7th at 11:59pm.
- **Complete the Anti-Hazing Agreement & Grade Release** on CampusGroups
- **Complete the online Hazing Prevention 101: It's Everyone's Responsibility** training AND **complete the certificate of completion submission form** on CampusGroups
  - Hazing Prevention 101 is a one-hour awareness course educating students on how to recognize, prevent and report hazing. The real-life scenarios prepare students, group members and bystanders to make informed decisions, ultimately empowering them to prevent hazing.
  - To register, please go to <https://prevent.zone/register/redeem.php?course=101>, and click "Create New Account" and then complete the registration form.
  - The redeem access code is "dabe33". Please use your Bentley email when registering
  - Upon completion, [save your certificate of completion and submit with this form](#) to fulfill your requirement.
- **Attend one Recruitment Information Session**
  - Tuesday, September 7th | 6:30pm-7:30pm | Back Bay C | Alexa Erb & Matt Galewski | <https://cmlink.me/2hn/r1215206>
  - Friday, September 10th | 11am-12pm | Back Bay C | Matt Galewski | <https://cmlink.me/2hn/r1215207>
  - Monday, September 13th | 5pm-6pm | Virtual: <https://bentley.zoom.us/j/aedznurXk3> | Alexa Erb | <https://cmlink.me/2hn/r1215208>
  - If you are unable to attend any of the sessions, please email [Alexa Erb](#).
